#### Service Offerings

Heavy civil construction, design-build, site development

### CORPORATE DESCRIPTION

Branch Civil offers a dynamic range of services, including heavy civil construction, design-build, and site development. Our history of planting, cultivating, and growing transparent, professional relationships with our clients has established us as a respected name within the civil construction industry. As a 100 percent employee owned company, our employees have a vested interest in the successful completion of every project and absolute satisfaction for every client.

Functioning as a wholly owned subsidiary of the Branch Group, we serve clients in Virginia, West Virginia, and the Carolinas.
